# EUROPA WORLD PLUS

**250**
countries and territories covered

**2,000+**
international and regional organizations

**"No work in the English language deals so comprehensively with educational and commercial as well as political, religious, publishing and press activities in all parts of the world"** – *Daily Telegraph*

Europa World is an interactive online library for all the countries and territories of each of the world regions. It enables customers to subscribe online to content from the Europa World Year Book and the Europa Regional Surveys of the World. The in-depth, expert analysis provided by The Regional Surveys is an ideal complement to the core content of the World Year Book.

## BENEFITS FOR YOUR STUDENTS

- Updated weekly to reflect the most recent political changes and developments
- Information on 250 countries and over 2,000 international organisations, updated weekly to reflect the most recent political developments
- Combines impartial coverage of issues of regional importance from acknowledged experts with analytical, statistical and directory information to make an invaluable reference resource
- 250 countries and territories are covered by detailed surveys with information on the latest analytical, statistical and directory information
- Interactive Comparative Statistics tool, featuring 35 demographic and socio-economic indicators for all countries and territories of the world

## WHO IS IT FOR?

Any student or researcher interested in gathering information on socioeconomic factors will benefit from Europa World, including in area studies, development studies, politics and international relations, or human geography.
