TITLE-BY-TITLE ARCHIVE

Institutional customers can now extend their subscription to include the complete archive of a single journal, allowing you to shape your library's backfile collection on an annual, per-title basis.

Taylor & Francis Group
an **informa** business

LIBRARIANRESOURCES
Taylor & Francis supporting librarians

The Classic Archive features content published before 1997, back to the journal's very first volume where available. The Modern Archive covers more recent scholarship, containing research published from 1997 to 2006, inclusive.

Build a library fit for the future

Visit the **Librarian Resources** website for information, support, and insights from Taylor & Francis and the library community to help you navigate the changing library and information landscape, develop your collections, engage your users, and enhance your institution's scholarly communications.

Services & Support

Explore tools and resources to help you manage your account, facilitate access, promote your content, and get published.

Library Insights

Keep on top of news and views in the library community with our blog, white papers, and LIS books and journals.

HOW WILL THE ONLINE JOURNAL ARCHIVES BENEFIT MY LIBRARY?

- Archives are a one-off perpetual purchase, so there's no need to save money aside each year for continued subscription
- Receive guaranteed access to content through archival agreements with LOCKSS, CLOCKSS, Portico and the Dutch National Library
- Track usage in your library with COUNTER-compliant usage reports
- Focus on subject-specific journals in your users' fields of interest
- Reduce pressure on valuable storage space
