Taylor & Francis eBooks

A WORLD OF KNOWLEDGE AND INFORMATION

Browse our vast collection of over 90,000 eBooks in specialist subjects led by a global network of editors and authors.

Features and Benefits

FOR LIBRARIANS

- » A single destination for all CRCnEtBASE and Taylor & Francis eBooks content
- » Librarian dashboard: manage all Taylor & Francis content quickly and easily
- » Manage licenses, run usage reports, and view entitlements – all from a single admin area

Functionality

FOR LIBRARIANS

- » View and download entitlements
- » View license information
- » Manage Shibboleth and Open Athens credentials
- » Access MARC records
- » Access usage reports

FOR LIBRARY USERS

- » Filter search results by subject, publication date, or imprint
- » Or filter search results by content your institution has access to
- » Return search results by chapter, as well as book title
- » Create citations in APA format

Taylor & Francis eBooks features high quality content, including authoritative references from world-renowned and award-winning authors, across thousands of eBooks.

Library users can access millions of pages of rich content from a full range of academic disciplines – from Archaeology to Veterinary Science.

This new platform provides a host of other new features and benefits and has been created based on extensive user feedback and testing

FOR LIBRARY USERS

» Streamlined experience and a single point of discovery for all our eBook content

» Improved search and discovery of content at the book and chapter level

» Better citation functionality (APA format)

» Enhanced filtering of search results
