# Taylor & Francis Online

Fully responsive interface.  
Start exploring world-renowned academic research with Taylor & Francis Online.

## The platform has:

- A clean, intuitive and responsive user interface
- Enhanced discoverability
- Easy-to-use search and browse functionalities

## Key Features

### For librarians

- **Link Taylor & Francis online journal content with your library catalog**, and track your institution's usage with COUNTER-compliant statistics.
- **Share research** using social bookmarks, upload your library's logo, obtain RSS feeds, and manage alerts to publications and articles.

### For researchers

- **Enhanced discoverability** with multi-faceted search makes finding articles and journals simpler and faster, with options to filter by subject, publication date, and access options.
- **Easy manuscript submission**, clear information and instructions designed to meet the needs of anyone looking to publish their research.

### For journal editors and learned societies

- **Prominent journal branding**, making it easy for readers to identify and access key journals. Journal titles and covers are elevated and journal pages offer an improved display of related and key content using a streamlined and easy to read new "card" design.
- **Improved video display** in HTML5 provides more impact for journals with video abstracts or video content.
