Taylor & Francis Online

Fully responsive interface.
Start exploring world-renowned academic research with Taylor & Francis Online.

The platform has:

- A clean, intuitive and responsive user interface
 - Enhanced discoverability
- Easy-to-use search and browse functionalities

Key Features

For researchers

- **Enhanced discoverability** with multi-faceted search makes finding articles and journals simpler and faster, with options to filter by subject, publication date, and access options.
- **Easy manuscript submission**, clear information and instructions designed to meet the needs of anyone looking to publish their research.

For journal editors and learned societies

- **Prominent journal branding**, making it easy for readers to identify and access key journals. Journal titles and covers are elevated and journal pages offer an improved display of related and key content using a streamlined and easy to read new "card" design.
- **Improved video display** in HTML5 provides more impact for journals with video abstracts or video content.
