email addresses

The comprehensive, frequently-expanded **World Who's Who** brings together current biographical information on over 70,000 of the most gifted, famous and influential men and women from all fields, and presents it in an accessible format.

## WHAT CONTENT IS ON WORLD WHO'S WHO?

- Includes heads of state, key ministers, politicians, diplomats and religious leaders, the famous and successful in business, finance, and much more
- Biographical information gathered after multiple rounds of thorough research using reliable resources (primary and secondary sources). Entrants are also asked to update their details themselves.
- Entries are included on carefully selected by the Europa Biographical Reference Editorial Panel on the basis of achievement and impact
- Regularly updated to ensure accuracy
- Replaces numerous single-nation directories, saving you both time and money in your research
- Using a full range of sophisticated search and browse functions in **World Who's Who**, researchers can quickly find the current career, contact and other biographical details that they need on their most eminent contemporaries.
- Digital incarnation of the Who's Who print titles (combines all entries of the various print titles in one resource)
