Routledge Handbooks Online provides a cutting-edge overview of classic and current research trends, while at the same time providing an authoritative guide to theory and method, the key sub-disciplines, and the primary debates of today.

Key features include:

- All titles are DRM-free
- All content is available in HTML and PDF format
- Expansive coverage across the Humanities, Social Sciences, Science, Education, Psychology, Engineering, and Built Environment, now including Routledge and CRC Press content
- Every third chapter in our handbooks is freely available for you to view and download
- All chapters are accompanied by an abstract and rich metadata that make searching and research more efficient and effective

- Intuitive search tools enable users to find exactly the material they need across the Handbooks' multiple subject areas, with peer-reviewed content that ensures quality of research
- Full text DOIs, OpenURL, and Usage Statistics to aid discoverability and ensure library patrons are accessing the materials they need - including COUNTER 4 usage statistics and denials data.
